

## **Quality Policy**

Kabin Hire Ltd accepts responsibility for the complete satisfaction of its customers. We exercise this responsibility through adequate training of our employees, adherence to proven procedures, and total commitment to meeting and exceeding customer requirements.

Kabin Hire Ltd has developed and implemented a quality management system to demonstrate its ability to consistently provide a product that meets customer and statutory and regulatory requirements, and to address customer satisfaction through the effective application of the system.

The Company documents, implements, and maintains a quality management system and continually improves its effectiveness.

Kabin Hire Ltd:-

- determines the processes needed for the quality management system and their application throughout Kabin Hire Ltd determines the sequence and interaction of these processes,
- determines criteria and methods needed to ensure that both the operation and control of these processes are effective,
- ensures the availability of resources and information necessary to support the operation and monitoring of these processes,
- monitors, measures where applicable and analyzes these processes,
- implements actions necessary to achieve planned results and continual improvement of these processes.

These processes are managed by Kabin Hire Ltd.

Where Kabin Hire Ltd chooses to outsource any process that affects product conformity with requirements, Kabin Hire Ltd ensures control over such processes. The type and extent of control of such outsourced processes are identified within the quality management system.
